Subject: Declined: Crossett, Arkansas

Hi Arturo – I have to decline a meeting at this time on Friday because (k)(6) and will not be in until after 10:30 EST. I then have a previously scheduled meeting at 11:00. Can we meet after noon? I am flexible after noon. I would really appreciate a meeting so that we can get up to speed re the recent EJ developments involving the Crossett community and GA Pacific and future meetings involving the state and the pending Title VI complaint. If you can schedule it for later on Friday, that would be great. Thanks so much for your help! Lilian
